The Waldo County Commissioners are pleased to announce that the County of Waldo has received a Safety Enhancement Grant awarded by the Maine Municipal Association in the amount of \$626.67.

The Safety Enhancement Grant and Scholarship Grant programs offer financial incentives to members of the Maine Municipal Association Workers' Compensation Fund. These grants are used to purchase safety equipment or services that assist in reducing the frequency and severity of workplace injuries. Improving workplace safety for municipal employees saves taxpayers money by reducing lost hours at work, cost of insurance claims and overtime expenses for employees who might have to fill in for injured co-workers.

The Maine Municipal Association has been awarding safety grants to Members of their Workers' Compensation fund since 1999. The Grant program has assisted municipalities by bestowing more than \$2.5 million through funding of 2,167 Safety Enhancement Grants and 351 Scholarship Grants.

Ed MacDonald, Loss Control Manager for Maine Municipal Association, advises the program received 116 applications for this grant period and \$124,862 was awarded. Grants are awarded in May and October each year.
